for easy pickup*

Powerful performance

Get a deep clean with Maytronics Dolphin's superior scrubbing and filtering capabilities.

Ease of use

Simple, plug-and-play operation takes all the hard work out of pool cleaning.

Peace of mind

Dolphin robots run independently from your pool's system, so you get a totally clean pool – no compromise!

Wi-Fi® connectivity

The MyDolphin™ Plus mobile app puts full control of your robot in the palm of your hand. Make your pool perfect, from anywhere, anytime.

Dolphin E50i

Absolute pool-cleaning performance

The all-new Maytronics Dolphin E50i robotic pool cleaner makes it super-easy to keep your swimming pool exceptionally clean and ready for fun, with absolutely minimum effort and hassle. Get maximum convenience and control all in one, with advanced options like manual drive, a choice of cleaning programs, and delayed start. The Dolphin E50i is equipped with a multi-layer, top-load filter basket with extra sealing and larger filtration capacity. With the new MyDolphin™ Plus mobile app, the Dolphin E50i is always connected, giving you the freedom to control your robotic pool cleaner from anywhere, at any time.

Advanced weekly scheduler and cycle selector

Multi-layer filtration system with Extra Sealing, prevents the return of fine dust to the pool

Swivel cable helps prevent cable tangles

Actively cleans and scrubs away algae and bacteria

Set it & forget it using the MyDolphin™ Plus mobile app

Top-load filter basket for super-easy cleaning
